Dear Simmons Middle School,

Please accept our sincere Thank You for the generous food collection from your 185 pounds food drive in support of the Marie Wilkinson Food Pantry. We are so grateful for the generosity to our community and the support for our mission. We simply would not be able to continue our mission of providing nutritional food to our vulnerable families if it were not for your support.

Diane Renner  
Executive Director

It's been another difficult year, to say the least, we continue to see new individuals and families visiting us for the very first time. We know that for some time to come our communities will feel the effects of this moment.
